

St. Thomas More Collegiate – Course Selection Sheet Grade 12 – 2018/2019

NAME: _____ Date: _____

1. **This is a worksheet only.**
2. Course selection should be entered online using the Course Selection Module in the Parent Portal of PowerSchool (course selection is not available through the Student Portals). Selections entered through the Parent Portal are considered to have parent approval.
3. Because course selection at this level has broader post-secondary implications, students and parents are asked to consult with our Academic Counsellors or our Heads of Departments (HODs) should they have any questions.
4. The deadline for course selections to be entered into PowerSchool is **March 5, 2018.**
5. **Note:** Students seeking admission into enriched and/or accelerated courses and programs in the Mathematics and Social Studies must have their applications approved by the respective Head of Department. Applications and an explanation of the various steps involved are on our [STMC Academic Requirements & Course Descriptions 2018-2019](#) link on our school website. See Head of Departments (HODs) for details.
6. Students interested in the *Combined Pre-Calculus 12/Calculus 12* class should choose the course on Powerschool and speak to the Head of Department. The goal of this course is to build and develop deep connections between the concepts in Pre-Calculus 12 and Calculus 12. This course requires two blocks on the timetable. Selecting the course does not guarantee entry to the course. Final placement will be made by the HOD in consultation with current mathematics teachers.
7. Many of our senior courses have prerequisites – please see the course descriptors for details.
8. Courses with “*” are Outside of Timetable. (See Mr. Shoemaker for details – admission for some courses is by audition.)

Directions: It is recommended that you meet with an Academic Guidance Counsellor *before* you complete your 2018-2019 course selections. Carefully select your courses and list these in order of priority, ensuring that your selections enable you to qualify for the B.C. Grade 12 Graduation Diploma (2004 Graduation Program).

A. Core Courses: (Required)

1. English 12
2. Graduations Transitions 12
3. Religion 12

B. Other Academic and Elective Courses:

Select **six** additional academic, fine arts, or applied skills elective courses

4.	7.
5.	8.
6.	9.

C. Alternate Course Choices: List two alternate courses in order of priority Do NOT enter these into the online course selection

10.	11.
